Schedule of Classes

Morning – Small & Medium Dogs
Afternoon – Intermediate & Large Dogs

Dogs will automatically be entered into 4 runs. Agility, Jumping and Steeplechase. The agility round will be the same course and run twice with the best result counting. You may do the first run as a training round if you wish. Allsorts dogs will get 2 runs of jumps & tunnels – A Jumping round and a steeplechase.

Beginners will be for dogs in Grades 1-3
Advanced will be for dogs in Grades 4-7

All classes can be run for competition or 'NFC' and can train in the ring. Toys and treats may be used in NFC runs but treats must be given directly to the dog and not dropped onto the floor. Please take care not to drop treats, which may distract other dogs.

You may run your dog at a lower height than they are eligible for but this will be for clear rounds only and must be declared on the entry form.

Courses will be the same for each height and will need to be walked at the start of the class; there will be no course walking in between heights. (Intermediate & large will walk at the start of the afternoon) It is your responsibility to be available to run at your correct height, once the height has been changed it will not be changed back again.

Running Orders

Running orders will not be issued, classes will only have small numbers so we don't feel they are needed, make your way to the rings when the class is on your height. Everyone will be emailed a copy of the ring plan nearer to the time so you can see number of entries and approximate timings. Ring plans will not be posted so you must ensure you provide a valid email address on your entry form.

Helping at the Shows

In order to ensure the smooth running of each show we ask that all competitors help on the rings for about 1 hour per day during the morning or afternoon. Please report to the Ring Manager of a ring so that they can allocate a suitable job and time slot for you. No-one is expected to help at the expense of missing their classes. This is made a lot easier to achieve if everyone helps.

Awards

All heights will have their own awards.

Rosettes will be awarded to approx. 15% of entries. Trophies will be awarded in all classes. Clear round rosettes will be available for all classes. All rosettes must be collected at the show.

At the crossroads, turn left onto Coldblow lane. The venue is approx. 0.5 miles up the lane on the right hand side. It is signposted Coldblow Farm.
